Features of the Institute:

- Student Focused Education.
- Excellent infrastructure include more than 1 Lac Sq. ft. build-up area.
- Qualified and dedicated Staff.
- Modern Teaching-Learning Methodology & Tools.

Computer Engineering Department:

Computer Engineering Departments is established in the year 2001. The Department is having well-equipped laboratories and well-qualified, dedicated and trained team of Teaching Staff.

Since the introduction of this branch, we as a team are committed to impart long-lasting technical as well as value education to the students to enhance their knowledge and keep them in pace with latest trends in technology to prepare them to face the requirements of the industry. Department faculties are contributing to the MSBTE curriculum development and its implementation.

OUR COLLEGE PREMISES

Mission

Guru Gobind Singh Foundation is committed to impart long lasting holistic technical as well as value education to its students, irrespective of their caste, creed, religion or nationality, to help them to become effective professionals and responsible global citizens.

Vision

To create an academically challenging Culture, through concerted efforts, conducive to bring out the best in students who would prove to be an asset to the society as sound professionals and men of substance in all their endeavors.

Activity

- The day begins with the Prayer.
- Parents are provided with the login ID/password to access their ward's progress any time on college website.
- The Class-Teacher concept has been retained to provide an additional venue for close student-teacher interaction.
- Seminars related to latest technology are regularly conducted.
- Center of Quality and Excellence.

Program Objective

This Competition provides a platform for all Computer Engineering group students to demonstrate their skill technical skills and knowledge.
